Cloverley News

What an exciting first week at Cloverley Elementary. After many months of planning, preparation and hard work, it has been wonderful to finally open our doors and welcome students and families into our new school. This week, students spent time in family groupings, meeting new friends and staff, exploring the school, playing on our new playground and beginning to build our Cloverley community. We are incredibly appreciative of the patience and flexibility shown by our families throughout this process. A special thank you also goes to our staff, many of whom worked through weeks of their summer vacation to prepare classrooms, organize resources and help get the school ready for opening.

We are now excited to get started in our new homerooms and begin settling into our regular routines and deeper learning in the classrooms. Students will also have many opportunities to work and learn together within our pods of three classrooms and the shared open learning spaces throughout the school. You can get a closer look at these spaces in our school [fly through video](#). Our orange playground is now open, the blacktop has been paved, and we hope to have that area available to students in the coming weeks. It has already been a memorable opening, including three school assemblies and the official opening of Cloverley with Minister of Infrastructure Bowinn Ma. There is still lots of work ahead as we continue building our routines, programs and school community, but we are very excited for what is ahead.

Code of Conduct

At Cloverley Elementary, we are committed to creating a safe, caring, inclusive and respectful school community. Students, staff, families and visitors are expected to treat one another with kindness, respect and care, make safe and responsible choices, and help create a positive environment for everyone.

In the coming months, we will work together as a school community to develop a Cloverley Code of Conduct that reflects who we are and the kind of school we want to build together.

Open House / Meet the Teacher

Our first Cloverley Open House / Meet the Teacher evening will be held on Thursday, September 24.

Families are invited to attend one of two 25-minute sessions:

- 5:30 to 5:55 p.m.
- 6:00 to 6:25 p.m.

This will be an opportunity to meet your child's teacher, visit their classroom and explore our new Cloverley Elementary.

Following the Open House, the Cloverley PAC will hold its 2026 to 2027 Annual General Meeting at 7:00 p.m. in the Learning Commons. All parents are welcome to attend. Please see the end of the E-news for more information.

Medical Alerts and Allergies

If your child has a medical condition or allergy that may require support at school, please contact the office as soon as possible. We will provide any required medical forms. Medications such as EpiPens should be brought directly to the office.

Cloverley is a peanut and nut aware school. Please be mindful of classroom allergy guidelines, as we have students and staff with life threatening allergies.

Online Consent Forms

Our Online Consent Forms are now available through SchoolCash Online. These include:

- Walking Field Trip Consent
- Photo and Media Consent
- Technology Use Agreement

Please complete the forms as soon as possible, as students may need them in place before participating in certain activities.

Dogs on The School Ground

A reminder that dogs are not permitted on NVSD school properties. Although our permanent signage has not yet been installed at Cloverley, this expectation is already in place. We appreciate families keeping dogs off the school grounds, including the playground and outdoor learning areas, to help keep the space safe and comfortable for everyone.

Personal Digital Devices

Personal Digital Devices, including cellphones, smart watches and tablets, are not permitted for student use during the school day. Devices should remain at home or stored in backpacks.

If a student needs to contact home, or if there is an emergency, communication will go through the school office.

This helps keep students focused, connected and safe at school. Click [here](#) for more information.

Staff Parking Lot Reminder

A reminder to families that the staff parking lot is reserved for staff only. Please do not use the staff parking lot for student drop off, pick up, or parking at any time. Parking at Cloverley is very limited, and there are no additional spaces available for families or visitors. Thank you for helping us keep these spaces available for staff and for supporting safe and smooth arrival and dismissal times.

Parking for Pick Up and Drop Off at School (from the CNV)

If you need to drive to the school site for pick-up or drop-off, a number of designated areas are reserved for exactly this purpose. You can find these areas along the school side of Shavington St, Cloverley St and Kennard Ave. Please review the pick-up and drop off parking map below to learn more about exactly where you can stop and where you can park around the school site when collecting or dropping off students.

Understanding Parking Signs Around Our School

To help families become familiar with the new signs, we've put together a quick cheat sheet explaining what the different parking signs mean.

A few minutes spent getting to know the signs can help everyone park safely, follow the rules and keep vehicles moving around the school easily and efficiently.

School Loading Zones

- Provides a dedicated space for pick-up and drop-off during school hours
- Parents may park and leave their vehicles for up to 15 minutes – if you need to park for longer than 15 minutes, look for un-regulated curbside areas nearby
- Outside of school hours people can park for longer durations in these areas

No Stopping

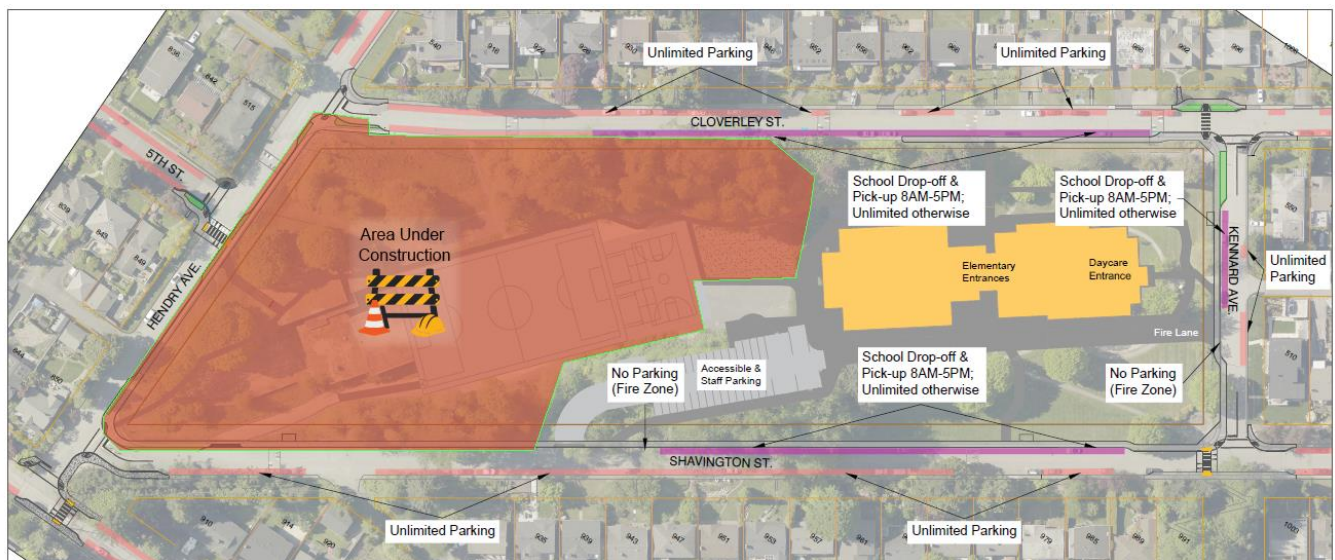

- Vehicles may not stop in areas designated 'no stopping' at any time.
- These signs are placed approaching intersections or in locations where it is not safe for vehicles to stop at the curb for even a quick drop-off

Fire Zones

- Provides a dedicated space for emergency vehicles to access the curb.
- Vehicles may not stop in a fire zone at any time.

As a reminder, even when there isn't a sign, parking or stopping is not permitted within 6m (20 ft or around 1.5 car lengths) from an intersection, or 3m (10 ft or around three-quarters of a car length) from a laneway or driveway.

Please use this as a guide and follow posted signage on the street

Additional Comments from the CNV

"We are very pleased with how smoothly pick up and drop off has been going. Thank you to families for your patience and cooperation as we continue to settle into our new school.

Construction around the site is continuing, and we appreciate everyone's flexibility.

A reminder that the designated drop off zones is intended for quick student drop off and pick up, not longer-term parking. Please continue to follow all posted parking and traffic signage around the school."

Thank you again for such a positive first week at Cloverley. We know there is still lots to come as we continue to settle into our new school, and we appreciate the patience, support and enthusiasm of our families.

We look forward to another great week together.

Reminders

School Supplies and Student Information Verification Forms

A reminder to families to please complete payment for school supplies and return the Student Information Verification form to the school as soon as possible.

School supplies are purchased in bulk through the school in consultation with teachers. This helps ensure students have the materials they need, keeps supplies consistent across classrooms and helps us keep costs as low as possible. Bulk purchasing also reduces waste, as many supplies can be collected, reused and carried forward from year to year. Our goal is to continue finding efficiencies so that we can keep costs down and, where possible, reduce them over time.
