Cloverley News

What a great second week at Cloverley! Students are beginning to settle into their classrooms, routines and learning spaces, and it has been wonderful to see our school community continuing to come together. We have also been very fortunate with some beautiful weather, which has made for lots of time outside enjoying our new playground. It has certainly been well used during the school day, after school and on the weekends.

Tomorrow is another exciting milestone as our Kindergarten students begin full days. We are also looking forward to the sport court opening and to seeing the remaining areas around the school grounds completed in the weeks ahead.

We are excited to welcome families to our first Cloverley Open House and Meet the Teacher evening on Thursday. We look forward to seeing you there and sharing more of our new school with you.

Open House / Meet the Teacher – This Week!

Our first Cloverley Open House and Meet the Teacher evening is coming up this Thursday, September 24. We are looking forward to welcoming families into the school, giving you a chance to meet your child's teacher, visit classrooms and explore our new learning spaces.

Families are invited to attend one of two sessions:

- 5:30 to 5:55 p.m.
- 6:00 to 6:25 p.m.

Following the Open House, the Cloverley PAC will hold its 2026 to 2027 Annual General Meeting at **7:00 p.m.** in the Learning Commons. The meeting will also be available online. Please see the updated PAC agenda, which reflects the new 7:00 p.m. start time, changed from 7:30 p.m.

Staff Parking Lot Reminder

A reminder to families that the staff parking lot is reserved for staff only. Our parking lot is extremely busy during arrival and dismissal, and we currently do not have enough parking spaces for all of our staff. Please do not use the staff parking lot for student drop-off, pick-up, or parking at any time.

Thank you for helping us keep the lot as safe and manageable as possible and for ensuring the limited spaces remain available for staff.

Playground

Our new playground has quickly become a very popular space for students and families. To help keep it safe and in great condition, we ask that students do not ride bikes or scooters on the playground surface or around the play equipment. Please walk bikes and scooters through the playground area so everyone can continue to enjoy this wonderful new space.

Late Arrival and Early Pick-Up

If your child arrives late to school, please bring them to the school office rather than directly to their classroom. A staff member will help get them settled and walk them to class. For early pick-up, please also come to the office and we will arrange for your child to meet you there.

Important Dates to Note

A reminder that **Monday, September 28** is a Professional Development Day. Students are not in session, and Cloverley staff will be engaged in professional learning throughout the day.

As well, **Wednesday, September 30** is the National Day for Truth and Reconciliation, and the school will be closed.

Photo Day – This Friday

A reminder that individual student photos will be taken this Friday at Cloverley. Please help your children come prepared and ready for their photo. It will be exciting to mark another first for our new school with the very first individual student photos taken at Cloverley.

Supervision and School Grounds Reminder

A reminder to families that there is no staff supervision before 8:45 a.m. or after 2:50 p.m. Parents and caregivers are responsible for the supervision of their children outside of these times.

We also ask all adults to remember that during drop off and pick up, you are on elementary school grounds. Families and visitors are expected to follow the District Code of Conduct (see the end of the newsletter) and help model respectful, safe and appropriate behaviour for our students.

Thank you for helping us keep Cloverley a safe and positive place for everyone.

Reminders

Code of Conduct

At Cloverley Elementary, we are committed to creating a safe, caring, inclusive and respectful school community. Students, staff, families and visitors are expected to treat one another with kindness, respect and care, make safe and responsible choices, and help create a positive environment for everyone.

In the coming months, we will work together as a school community to develop a Cloverley Code of Conduct that reflects who we are and the kind of school we want to build together.

Tim MacLeod
Principal

Danielle Herschmiller
Vice-Principal

YOUR PHOTO DAY IS APPROACHING!

Showcase Your Best Smile

- Students will be photographed at school.
- On photo day, no order form or payment is due.
- Review your images and purchase online with ease!

DON'T FORGET

School photos are a Canadian tradition to capture the school year and preserve your continued growth.

1. Vote in PAC Board
2. Create an action plan for the next meeting
3. Book next PAC meeting
4. Ensure any sub committees have contact information

NEXT MEETINGS AGENDA

NVSD Code of Conduct

North Vancouver School District's Code of Conduct has been established to maintain a safe, caring, accessible, and healthy learning environment.

It is the shared responsibility of students, staff, parents/guardians, and the broader community, to demonstrate positive conduct while attending any school or district related activity, at any location.

All members of the school community are expected to:

- Support learning and attendance.
- Demonstrate safety.
- Respect property, environment, personal space, and privacy.
- Model courtesy, compassion, and respect.
- Value diversity.
- Treat self and all other members of the school and broader community respectfully.

All members of the school community must refrain from engaging in any in-person or digital communication or participating in behaviour that is considered to be:

- Interfering with the learning and working of others.
- Bullying, harassing, intimidating, retaliating, discriminating or violent.
- Unsafe or illegal; including the possession, use, or distribution of illegal or restricted substances or the possession of weapons or replicas.

All members of the school community are expected to:

- Comply with the purpose and spirit of the BC Human Rights Code, including not engaging in discriminatory conduct based on Indigenous identity, race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, or age of that person or that group or class of persons.
- Wear clothing that does not promote or symbolize illegal substances or activities, hate or discrimination, profanity, pornography; or that incites violence, harassment, or threatens safety.
- Leave personal digital devices at home, in their bag/backpack, and/or in their locker during instructional time. Allowances may be made by the staff for instructional purposes, digital literacy, appropriate use based on age and developmental stage, accommodations within a student's Individualized Education Plan, accessibility, medical and health needs, and/or equitable support for learning outcomes.

Every effort will be made to support individuals and to determine the root causes of behaviour. If the safety or educational program of others is compromised, or if there is an ongoing failure to meet the expectations of the Code of Conduct, a range of consequences will follow. Whenever possible, incidents will be resolved by discussion, community service, restorative processes, referral to counselling and/or support services, mediation, and restitution, but may involve loss of privileges, detention, suspension from school, and/or collaboration with community partners. Confidentiality will be maintained; however, school officials may have a responsibility to advise other parties of serious breaches of the Code of Conduct (e.g. school district officials, law enforcement, and/or other agencies, etc.).

The school will take all reasonable steps to prevent any form of retaliation against a student or staff member who has brought a complaint forward of a breach of the Code of Conduct.

Factors such as the severity and frequency of the concerning behaviour(s), as well as the age, maturity, and ability of the person(s) involved, will be considered. In most cases, as people mature, there is the expectation of increased responsibility and self-discipline; therefore, progressively increasing consequences for concerning behaviour may apply.

Considerations apply to those who may not be able to adhere to the Code of Conduct due to having a disability of an intellectual, physical, sensory, emotional, or behavioural nature.

All members of the North Vancouver School District community have the right to be treated fairly and consistently and should know and understand this Code of Conduct.
