- Wednesday November 11 – Remembrance Day – School is closed

Cloverley News

It was another great week at Cloverley, and we are continuing to settle into our new school and build our routines.

Next week, students will begin talking about choosing an animal to represent Cloverley. We are looking forward to hearing their ideas and thinking about the qualities that best represent our school community.

Thank you to our families for your continued support as we continue to build our Cloverley community.

Terry Fox Run – Friday, October 9

On Friday, October 9, Cloverley students will take part in our first Terry Fox Run.

Terry Fox showed incredible courage and determination during his Marathon of Hope. His goal was to raise awareness and money for cancer research. More than 45 years later, schools across Canada continue to run in his honour and support his dream of finding a cure for cancer.

Students will be following one of three routes around the school. We are asking students to wear comfortable clothing and, if possible, red and white.

We are also encouraging students to bring a Toonie and a Loonie for Terry to help support cancer research. Donations can be brought to the school, or families can make an online donation.

We are looking for parent volunteers to help line the routes and support students along the course. Volunteers should arrive at 1:30 p.m. to get set up. Please email Mr. MacLeod if you are able to support.

Our assembly and warm-up will begin at approximately 1:50 p.m., followed by the student run.

Thank you for helping us support cancer research and continue Terry Fox's legacy.

Student Teacher Family Conferences

Our Student Teacher Family Conferences will take place over three days this year: **Monday, October 19, Tuesday, October 20, and Wednesday, October 21**. There will be **early dismissal at 1:50 p.m. each day**.

These conferences will focus on the student, their learning, and goal setting for the year ahead. They are an important opportunity for students, families and teachers to come together to discuss strengths, areas for growth and next steps.

Teachers will send an email on **Friday, October 9** with information about how to sign up for a conference. We strongly encourage all families to take part.

Professional Development and Early Dismissal Days

Please take a moment to mark your calendars for upcoming Professional Development Days and early dismissal days. These dates can affect regular school schedules, so having them noted in advance can help with planning for childcare, pick-up and after-school activities. We will continue to include reminders in our weekly newsletters as the dates approach.

Parking Lot Safety Reminder

Please remember that the Cloverley parking lot is for staff parking only. Families should not be entering the parking lot for student drop-off or pick-up. This also applies to early morning drop-off for Band.

Bikes are also not to be ridden through the parking lot. Please dismount your bike and walk it once you enter school property.

We had two near misses this week. These expectations are in place for the safety of our students, families and staff, and we need everyone to follow them.

Please help us keep Cloverley safe by following these guidelines at all times.

Thank you for your cooperation.

Our first Grade 4 and 5 Cross Country Meet is this Thursday at Loutet Park.

Our first Grade 4 and 5 Cross Country Meet is this Thursday at Loutet Park. The meet begins at 3:30 p.m. Families are responsible for transportation to and from the meet, and we ask that you please check your child out with one of the Cloverley staff members before leaving. We are looking forward to a great first meet and cheering on our runners!

Birthday Celebrations

Birthdays are recognized in classrooms and through the office, where student birthdays are announced and students have the opportunity to visit Mr. MacLeod's office for a birthday stamp and pencil. We are asking families not to send birthday treats, food or gifts to school. This helps us manage food allergies and dietary needs, respect the different choices families make around treats and celebrations, and keep birthday recognition consistent for all students. Thank you for your support.

Cloverley PAC

Our Cloverley PAC has a few great ways for families to support our school.

On Saturday, October 10, the PAC is hosting Family Thanksgiving Mini Photo Sessions with Sarah Jane Photography. Sessions are $60 for 15 minutes and include one digital image. Pets are welcome, and 100% of the fee comes back to Cloverley to support future events and activities. Please click here to book a session.

There are also several ongoing ways to support Cloverley through Mabel's Labels, COBS Bread and Return-It, with a Purdy's Chocolatier fundraiser coming in November.

Please see the PAC fundraising information at the end of the newsletter for all the details.

From the CNV

Avoid 3-point turns in the school zone:

With so many students, families and vehicles arriving and leaving at the same time, 3-point turns can create unnecessary risk. This also includes using driveways to turn around. Please continue around the block rather than making a 3-point turn near the school. Thank you for helping keep our school zone safe.

Queensbury Avenue Crossing Improvements

Along Queensbury Avenue, the intersections at 4th and 7th Streets are being upgraded with pedestrian flashing beacons, new crosswalk markings, curb extensions and improved lighting to help make these crossings safer. Construction at 4th Street began on October 1. During construction, traffic control personnel will be on site to help families safely navigate the area.

Reminders

Cloverley Athletics Fee

There is a $5 athletic fee for students participating in Cross-Country. Payment information will be coming through SchoolCash Online. This fee is new this year and will help offset some of the costs of athletics across all of our school sports, including Cross-Country for Grades 4–7, Triple Ball for Grades 6 and 7, Basketball for Grade 7, Floorball for Grade 5, and Track and Field for Grades 4–7.

Have a great week!
