- Friday November 13 – World Kindness Day

Cloverley News

It has been another exciting week at Cloverley, and we have some big news to share! We officially have our school animal! We are the Cloverley Coyotes! After hearing from our classes and tallying the votes, the Coyotes were the strong favourite! It was wonderful to have our students involved in helping shape the identity of our new school. We are excited to start building our Coyote pride!

We have also been enjoying some beautiful sunny weather this week. It has been great seeing our students outside playing, making friends and having fun. We are finally starting to see progress on our field and sport court, which is exciting for everyone! We know our students are eager to have more space to run and play, and we are looking forward to seeing these spaces come together.

We also have some wonderful news from our Terry Fox Run. Our Cloverley community raised over \$2,000, doubling our original goal of \$1,000! What an incredible accomplishment for our first Terry Fox Run! Thank you to our students, families and staff for making this such a successful event.

Next week brings another special milestone with the Supernatural Eye Ceremony. We look forward to seeing this beautiful piece of artwork find its permanent home at Cloverley.

Thank you to everyone for your continued patience and support as we continue to build our new school community together.

Go Coyotes!

Student, Teacher and Family (STF) Conferences

A reminder that our STF Conferences are taking place October 19 to 21. Teachers should have sent out sign-up information. If you have not received an email, please reach out to your child's teacher. These conferences are a great opportunity for students, families and teachers to come together, celebrate learning and set goals for the year ahead.

Please remember that students will be dismissed early at 1:50 p.m. on Monday, Tuesday and Wednesday. Friday, October 23, is a Professional Development Day, and school will not be in session for students.

Supernatural Eye II

We are excited to celebrate another special milestone at Cloverley with the unveiling of the Supernatural Eye II on Tuesday, October 20. This beautiful piece of artwork will become a permanent part of our school and an important connection to Indigenous culture, art and storytelling.

Due to the length of the ceremony, which is expected to last between 1.5 and 2 hours, only our Grade 4 and 5 students will be attending. The students will have their full lunch after the ceremony. While we would have loved to include the entire school, we felt this was the best decision for our younger students.

We look forward to seeing the Supernatural Eye placed in its permanent home and sharing this special addition to our school with the entire Cloverley community.

Lost and Found

Our Lost and Found is starting to grow! When you come in for STF Conferences this week, please take a moment to check the Lost and Found area in our main foyer for any items that may belong to your family. We also encourage families to label their children's belongings to help us return lost items to their owners.

Volunteer Forms / Criminal Record Check

If you are planning to volunteer at Cloverley this year, please stop by the school office to complete the required volunteer forms and arrange for your criminal record check. Mrs. Scott or Mrs. MacKay would be more than happy to help you through the process.

Grade 4 Foundation Skills Assessment (FSA)

Our Grade 4 students will be participating in the Foundation Skills Assessment (FSA) over the coming weeks. The FSA is a provincial assessment developed by the Ministry of Education and Child Care that looks at students' foundational skills in literacy (reading and writing) and numeracy (math).

The assessment provides a snapshot of student learning and helps schools, families and the Ministry better understand how students are progressing. The FSA is not a test that students need to study for, and the results do not affect the learning update cards.

For more information, please visit the [Ministry of Education's FSA webpage](#).

Cloverley Community

As we continue to settle into our new school, we want to remind families to be respectful of our neighbours and the surrounding community during drop-off and pick-up times. Please avoid turning around in private driveways, parking or stopping in front of driveways, or making three-point turns that block traffic. These actions can create safety concerns and make it difficult for our neighbours to access their homes.

We appreciate everyone's cooperation in keeping our surrounding streets safe and being considerate of the families who live around Cloverley. We want to continue building positive relationships with our neighbours and be a school community that everyone is proud to be part of.

Halloween at Cloverley

Students are welcome to wear Halloween costumes to school on Friday, October 30! Costumes should be fun, comfortable and appropriate for a regular day of learning and play.

We will be celebrating Halloween with a parade and gathering in the gym. Students are encouraged to arrive at school wearing their costumes and bring a change of clothes, as costumes will come off at recess so students can enjoy the rest of their day comfortably.

Please remember:

- No masks, weapons or gory elements.
- Costumes must allow students to be easily identified by staff.
- No inflatable or blow-up costumes. With limited space in our classrooms and hallways, along with the many stairs throughout our school, these costumes can create safety concerns.
- Avoid costumes that could be considered offensive, culturally insensitive or inappropriate.

- Students should be able to move safely, use the washroom independently and participate in regular school activities.

A reminder to families: Please send your child with a change of clothes and a bag to bring their costume home.

We want Halloween to be a fun, safe and inclusive day for all our Cloverley students.

Cloverley PAC

Family Movie Night – October 29

The Cloverley PAC is excited to host our first Family Movie Night on Thursday, October 29, featuring Disney Pixar's *Coco*! This will be a great opportunity for families to come together, enjoy a movie and connect with our school community.

Doors open at 5:45 p.m., with the movie starting at 6:15 p.m. in the school gym. Tickets are \$5 per person, with children ages 4 and under free. Families are encouraged to come dressed in their Halloween costumes and bring blankets and pillows to get comfortable. Parents must attend with their children.

Tickets are now available for purchase! Families can preorder tickets and whole pizzas using the link below. Pizza by the slice and candy bags will also be available for purchase at the event.

[Purchase Movie Night Tickets and Preorder Pizza](#)

The PAC is also looking for volunteers to help make the evening a success. If you are able to lend a hand, please sign up below.

[Sign Up to Volunteer](#)

Thank you to our PAC for organizing what promises to be a fun evening for our Cloverley families!

PAC WhatsApp Community

The Cloverley PAC has created a WhatsApp community to help parents and guardians stay connected, share information and communicate with other families. Families can join the main PAC community and connect with parents in their child's division.

Reminders

Student Photo Consent

Throughout the year, we enjoy sharing photos of students participating in school activities and special events through slideshows shown on our school screens, during assemblies and at our year-end celebration.

A reminder that families who selected "I DO NOT GIVE MY CONSENT" on the District's photo consent form will not have their children included in these slideshows.

At Cloverley, these photos are used for internal school celebrations only and are not posted on our website, shared in newsletters or distributed outside the school.

If you would like your child included in our internal school slideshows, you can keep your District photo consent as "NO". Simply contact Mr. MacLeod at tmacleod@sd44.ca to provide permission for this specific use.

Have a great week!

Tim MacLeod
Principal

Danielle Herschmiller
